

Carolla Going after the Patent Trolls

07.08.14

Adam Carolla continues his battle against the patent troll, Personal Audio, LLC. So far, Carolla has spent more than \$450,000 in attorney fees. The result? There has been enough discovery for Carolla to determine that Personal Audio does not have a case against him. The lawsuit, however, is still proceeding against Carolla.[1] But there is...
