

El Paso Court of Appeals Recently Cited To Authors' Law Review Article On Sham-Affidavit Theory

12.21.15

The Authors published a lengthy law-review article discussing the approach that Texas courts had taken in resolving inconsistencies between a statement in an affidavit and the affiant's testimony. David F. Johnson, Joseph P. Regan, The Competency of the Sham Affidavit as Summary Judgment Proof in Texas, 40 St. Mary's L.J. 205, 259 (2008). Recently, in... [Continue Reading](#)
