

## Recorded Webinar - A Trustee's Use Of LLCs and Other Entity Forms To Hold Assets And Mitigate Risk

04.27.17

David F. Johnson, lead writer for the Texas Fiduciary Litigator blog, discusses a trustee's decision to use entities to hold trust assets to mitigate risk. David covers benefits and other considerations that a trustee should contemplate before creating such an entity and transferring assets into it. The presentation also highlights the different types of entities.....
