

## Court Addresses Breach Of Fiduciary Duty and Partition Issues In Trust Dispute

10.10.17

In *Koda v. Rossi*, a mother created a trust that provided that her son was to serve as trustee and that she, he, and a daughter were the beneficiaries. No. 11-15-0150-CV, 2017 Tex. App. LEXIS 8194 (Tex. App.—Eastland August 26, 2017, no pet. history). Upon the mother's death, the trust was to terminate and the..... [Continue Reading](#)
