

## Patent Actions Targeting Podcast Shows

02.10.13

In January 2013, Personal Audio, LLC filed lawsuits against three network companies in the United States District Court for the Eastern District of Texas Marshall Division. Personal Audio claimed that the three defendants, namely, ACE Broadcasting Network, LLC, Howstuffworks.com and Togi Entertainment, Inc., have been infringing its patent by offering podcast to their subscribers. Personal... [Continue Reading](#)
