

New World: Minority Shareholders Take the Shackles Off - Looking Back at Private Company Ownership Issues During 2016 (Part 2)

12.20.16

Tis the season to say, out with the old and in with the new. But for minority shareholders with ownership in private Texas companies during 2016, not much changed. Minority shareholders remained without access to a buyout remedy under Texas law, which resulted in minority owners pursuing traditional claims against majority owners, as well as...
