

Court Discusses The Texas Rules For Superseding Declaratory Relief In A Trust Dispute

04.30.18

In *In the Interest of K.K.W.*, a father and mother, who were settlors, filed competing claims regarding the interpretation of a trust for their son. No. 05-16-00795-CV, 2018 Tex. App. LEXIS 2174 (Tex. App.—Dallas March 27, 2018, no pet. history). The trial court found for the father, granted him declaratory relief regarding the interpretation of..... [Continue Reading](#)
