

The Perfect Buy-Sell Provision: Is it a Unicorn, or is There a One-Size-Fits-All for Every Company

07.09.18

A search for the perfect buy-sell provision for use by private company owners and investors may be akin to hunting for a unicorn, because the business objectives of majority owners, on one side, and minority investors in the business, on the other, are rarely, if ever, fully aligned. But, if this search is limited to... [Continue Reading](#)
