

529 Problems, but FINRA Ain't One

02.18.19

The Financial Regulatory Authority (FINRA) recently announced an initiative it presents as an effort to promote member firms' compliance with rules applicable to the recommendation of 529 plans. FINRA's initiative is designed, first and foremost, to encourage firms to engage in a self-assessment specific to their 529 plan sales as well as the supervision of...
