

# Can the Golden Goose and Its Eggs Be Shared: Resolving Conflicts Between Private Company Co-Founders

06.24.19

The fact of the matter is that co-founders spend most of their time fighting . . . But no one talks about it. Los Angeles venture capitalist Mark Suster. (Fighting Co-Founders Doom Startups) Setting up a private company on a 50-50 owned basis is typically a bad idea, but many founders of new businesses continue...
