

Shareholder Oppression Claims: Looking Past the Urban Myth to Remedies that Continue to Survive Under Texas Law

10.01.19

Many Texas lawyers and their private company clients continue to refer to the claim for shareholder oppression as if it remains a viable cause of action under Texas law. And yet, for all practical purposes, the claim for minority shareholder oppression met its demise more than five years ago in 2014 in *Ritchie v. Rupe*[1]...
