

COVID-19 and HIPAA - Law Enforcement, First Responders and Public Health Authorities Can Get PHI

03.26.20

We have already seen extensive regulatory responses to the COVID-19 public health emergency (visit Winstead's COVID-19 Resource Center for more information). On March 24, 2020, the Office for Civil Rights ("OCR"), a department of the U.S. Department of Health and Human Services ("HHS") issued guidance clarifying when entities covered under HIPAA and the Privacy Rule can disclose...
