

UX & TeleHealth RapidConf | Key Takeaways

07.30.20

On June 30, 2020, Winstead PC attorney Sarah Churchill Llamas participated in a panel discussion—How to Increase Enterprise UX?—as part of the UX & Telehealth RapidConf. Discussions centered on telehealth and its overall market-effect in the rapidly evolving healthcare landscape. The panel was hosted by Fabien Beckers (Arterys), and included other panelists such as Laura... [Continue Reading...](#)
