

Court Addressed A Shareholder Derivative Suit Against Officers And Directors For Self-Interested Transactions, Misuse Of Company Assets, And Dereliction Of Duties

11.09.20

In *Roels v. Valkenaar*, a shareholder filed a shareholder derivative suit against former and current officers and directors of the company based on multiple claims of breach of fiduciary duty. No. 03-19-00502-CV, 2020 Tex. App. LEXIS 6684 (Tex. App.—Austin August 20, 2020, no pet. history). The defendants filed a motion to dismiss, and the trial... [Continue Reading](#)
