

Sarah Churchill Llamas in Medpage Today: Docs Can Prescribe Opioids Via Telemedicine, for Now

11.30.20

Winstead PC Shareholder Sarah Churchill Llamas recently spoke with Medpage today about the federal emergency orders in response to the Covid-19 pandemic that currently allow physicians to prescribe opioid medications to patients via telemedicine. An excerpt is below: "In the COVID-19 era, under relaxed federal emergency orders, licensed clinicians have been able to prescribe opioid... [Continue Reading...](#)
