

## Sarah Churchill Llamas Moderates Panel Discussion at the Texas Life Science Venture Forum

11.12.20

Today, November 12, Shareholder Sarah Churchill Llamas moderated the panel discussion “Successful Raises and Investor Considerations” at the Texas Life Science Venture Forum, hosted by Rice Alliance for Technology and Entrepreneurship and BioHouston. The panel discussed advice for entrepreneurs/inventors that impacts valuation; the specific risks that erode valuation and how companies can mitigate risks at various stages...
