

Adam Carolla Refusing to Feed the Trolls

12.02.13

The WinTech blog previously covered a patent infringement lawsuit filed against the "Adam Carolla Show" from ACE Broadcasting Network, LLC.[1] The plaintiff, Personal Audio, LLC, alleges that the "Adam Carolla Show" is infringing on their patent for a "[s]ystem for disseminating media content representing episodes in a serialized sequence." [2] The patent could also be interpreted... [Continue Reading](#)
