

Pre-Judgment and Post-Judgment Remedies: Strategies for Securing and Collecting Judgments

09.04.14

A judgment without any recovery is at best an empty victory. Understanding pre-judgment and post-judgment remedies can be critical to the success of turning the judgment into cash. This webinar discusses the pros and cons of pre-judgment and post-judgment remedies, the strategic use of pre-judgment remedies to shorten the litigation process, and available remedies against LLC members and partners. Post-judgment bankruptcy strategies are also discussed.

Target Audience:

In-house counsel, employees involved in litigation decisions, and contacts at businesses seeking to recover money judgments or property
