

## Fiduciary Litigation Update: 2017-2018

12.18.18

David F. Johnson, lead writer for the [Texas Fiduciary Litigator](#) blog, discusses interesting fiduciary issues that Texas courts have discussed during the survey period of mid-2017 through mid-2018. Some of the issues covered are the tort of intentional interference with inheritance rights, the enforcement of arbitration and forum-selection clauses in trusts and wills, the enforcement of exculpatory clauses in trusts, trustees paying attorney's fees in litigation, removal of trustees, trustee's power to dispose of trust property, settlor's attempt to revoke an irrevocable trust, and life estates.
