

Community Associations: Providing A Sense of Normalcy as COVID-19 Restrictions Evolve

04.30.20

Winstead attorneys discuss the considerations and best practices for a phased reopening of community facilities and amenities, and for management of community property. The topics include:

- How and when facilities should be reopened
- Categories of facilities
- Amended rules and access
- Governmental updates and information
- Owner communications
- Community governance—conducting business while social distancing

Speakers: [Alex Valdes](#), [Jen Martin](#)

Contributors: [Brooke Jimenez](#), [Jeremy Wilkins](#)

Who Should Attend:

Developers, Builders, Community Associations and Property Managers
