

Greta Cowart to Speak at Employee Benefits in Mergers & Acquisitions National Institute

06.05.14

On June 5, 2014, the American Bar Association will host the Employee Benefits in Mergers & Acquisitions National Institute in New York. Winstead Shareholder Greta Cowart will speak on Health Benefits Risks and Transition, joining a faculty of other experienced lawyers who incorporate innovative concepts into their successful practices. This program, focused on benefits transactions, is designed for in-house counsel, benefits specialists, private practitioners, consultants, accountants, and corporate executives.
