

Webinar - Healthcare - The Journey of ACOs

10.21.14

With all the changes in today's healthcare industry, Accountable Care Organizations (ACOs) in both the public and private sector have grown tremendously. However, there are still many questions around the success of ACOs in today's market. Join Winstead PC, Methodist Health System and WayPoint Healthcare Advisors for an in-depth discussion on ACOs and their evolution. We will analyze and discuss the different ACO structures, a case study, the lessons learned, and the future of ACOs.
