08.09.17

Coffee & Compliance with Chris is a discussion series with Chris Schlag, an attorney in Winstead's Environmental and Public & Regulatory Law Practice Groups, providing practical tools and insight on environmental, health, and safety public policies, regulatory requirements, and enforcement trends. Each month we'll discuss relevant regulatory matters to help you keep your workplace safe, healthy, and in compliance with the ever-changing regulatory landscape.

Your Friend the OSHA Inspector?

Join us in August for an informal discussion on what triggers an OSHA inspection and how to prepare for and survive the OSHA inspection process. We will also discuss lessons learned from recent OSHA enforcement cases, how the Trump Administration's shift in enforcement philosophies has impacted the OSHA inspection process, and the recent increase in civil penalties.
