The 3rd Annual Little Smiles North Carolina Golf Tournament will be held on Saturday, September 14, 2013. Hosted at NorthStone Country Club in Huntersville, NC, the scramble tournament will include golfers from the Charlotte area and all proceeds will directly benefit the Little Smiles North Carolina Chapter. A post-tournament reception and fundraiser will be hosted at the golf course and will include food, drinks, raffle, silent auction, and an awards ceremony.

Little Smiles is a non-profit 501(c)(3) charitable organization that strives to fulfill the dreams of children in Charlotte-area hospitals, hospices and shelters. These children undergo daily routines of ongoing medication regimens, various treatments and everyday pain as well as the inability to be a child due to circumstances beyond their control. Little Smiles' mission is to help kids escape all of that. For more information, please visit their website [here](#).
