

## Lori Oliphant to speak at Plan Administrator Skills Workshop

03.07.14

Winstead shareholder [Lori Oliphant](#) will be among the faculty at the 2014 Southwest Benefits Association Plan Administrator Skills Workshop. Lori will serve as a panelist on the topic of 408(b)(2) Service Provider Notices. The discussion will cover notice requirements, fiduciary responsibility with respect to notice requirements, new developments affecting notice requirements, and the application of the notice requirement to real world scenarios.

The Southwest Benefits Association is a regional association of experienced professionals in the field of employee pension and welfare benefits. For more information and event registration details, please [click here](#).
