

Winstead Donates Holiday Gifts to Students at Dallas Elementary School

12.09.19

Winstead PC attorneys and staff are again bringing holiday cheer to fourth grade students at John H. Reagan Elementary School in Dallas, Texas by continuing the firm's long-standing tradition of donating gifts to students.

For more than a decade, Winstead has partnered with John H. Reagan Elementary School to provide gifts for 40-60 children. In years past, each child received a board game. This year, Winstead donated books and educational toys to further support the students' growth and knowledge. The firm also gifted treat bags filled with fruit and holiday snacks. Presents were delivered to excited students at the school on December 6.
