

## How Oil & Gas Companies Have Fared in China, Greg Krafka, Law360

05.19.15

Winstead associate [Greg Krafka](#) wrote an article on the transformation of the energy industry in China in recent years and how foreign oil and gas companies have fared in China. His article analyzes Form 10-Ks filed with the SEC for all of the oil and gas companies listed in the *Houston Business Journal's* list of the 100 largest Houston-based public companies (based on fiscal year 2013 revenue).
