

Paul N. Wageman

Shareholder

Practices: Government Relations; Public & Regulatory Law; Corporate, Securities/M&A

Industries: Sports Business & Media; P3, Infrastructure & Project Finance; Universities

Paul counsels clients on a range of corporate and governmental matters, including representation before local, state and federal governmental bodies. Among his clients are the pre-eminent international transportation network company, a leading international out-of-home advertising company, a global social networking website, privately-held and family-owned businesses, high net worth individuals and major league sports teams and venues. Paul is frequently involved in the planning and execution of their business initiatives, including seeking public incentives for expansion and relocation, and sourcing and developing opportunities to increase revenue and enhance value.
